RED TENNIS is for players aged 5-8 year olds. It is played on small courts with short rackets and soft balls. It's just like the real game and gives players opportunities to have long rallies and play different types of shots. Our Red programme is supported by the **LTA Highland Spring Mini Tennis Awards.**

ORANGE TENNIS is for players who are 9 and under and it's a great way for players to continue their progress from Red tennis. It is also played with softer balls than the real game. The courts are bigger and wider than the red stage but still small enough to allow players to develop a rounded game whilst learning a range of techniques and tactics. Our Orange programme is supported by the **LTA Highland Spring Mini Tennis Awards.**

GREEN TENNIS is aimed at 9 and 10 year olds, it's a great way for players to continue their progress from Orange tennis. It is played on a full size tennis court, with bigger rackets, the balls are a little softer than the full ball. It's the next stage before moving on to full compression yellow balls. Our Green programme is supported by the **LTA Highland Spring Mini Tennis**

JUNIOR TENNIS is for players who are aged 11 and over played on full size courts and equipment. Courses rang from beginner to advanced level players.

TEEN TENNIS is for players who are 15 and over played on full size courts with full size equipment.

CARDIO TENNIS is a high energy fitness activity that, combines the best features of tennis with cardiovascular exercise, delivering the ultimate, full body, calorie burning aerobic workout.
